

 Merk: **APart**
 Model: CM608D

Omschrijving

6.5" two-way, thin edge ceiling loudspeaker, white

The Apart CM608D 6.5" two-way built-in low impedance loudspeaker is very suitable for the distribution of background music. It provides a warm background sound and can be used with a standard hi-fi amplifier. This loudspeaker is easy to install, due to its handy Quick Fit connector, an in and out push terminal for loudspeaker wire connection up to 2.5 mm. The RAL paintable thin edge grille makes it easy to integrate high quality background sound with any interior. The CMD608D is the design version of our reference install built-in loudspeaker the Apart CM608.
