

Merk: **APart**

Model: MA240

## Omschrijving

The revolutionary 19" MA240 mixing amplifier offers 240 watts in 70 or 100 volt mode and comes with 2 mic/line input and 4 stereo line, mono summed inputs. On the rear you can find smart left-to-right 4 level priority system for audio routing, an emergency input, paging mic with chime and a 24VDC override output. The MA240 has an unseen intuitive user friendly interface and ground breaking logical rear panel. Installing or operating this amplifier is a true pleasure for every installer and end-user worldwide.
